ASSESSMENT MODERATION POLICY

Scope

1. This policy applies to all courses at the University of Suffolk and its partner institutions that

are summatively assessed.

Principles and purpose

This policy underpins the institution Assessment practice and seeks to ensure that 2.

a. all assessments are fit for purpose, conform to validated course documentation, and

provide accurate and accessible instructions and guidance to students.

b. all marking decisions are reliable, robust, consistent (within cohorts and over time) and fair;

and that assessment criteria have been applied appropriately.

c. differences in academic judgement between markers can be acknowledged and

appropriately addressed.

3. This policy aligns with the relevant Expectations for Standards and Quality within the QAA

UK Quality Code for Higher Education, and the associated core and common practices, as set out

in the Advice and Guidance document for Assessment. We also take into account the Guiding

Principles set out in that document.

4. All summative assessment utilises clear marking criteria against which student

performance and achievement is measured. This process is operated by academic staff in

accordance with this policy in order to ensure that each student is treated in a fair and equitable

manner, that the grades are awarded consistently, and that the process is transparent and clearly

documented.
